MYSTONE TRAVERTINO

Mystone Travertino

Classico, Navona and Silver: three colours – light beige, light grey and cream – are matched with three patterns to reproduce types of stone that differ in appearance and feel, with two decor options – Classic and Botanic. Three mosaics and four sizes – 90x180, 60x60, 60x120 and 30x60 cm – are ideal for juxtapositions and contrasts between colours and geometric effects, covering the floors and walls of modern, elegant spaces. Two finishes, one softer and warmer and the other more glossy and sophisticated, highlight marble's expressive potential, allowing new design possibilities for the most classic of materials.
